ADDITIONAL INFORMATION & SUPPORT

FURTHER PRACTICE EXAMS

There will be further practice exams run under full exam conditions in March, for Maths and Science, dates to be confirmed. From past experience, we know that these help students gain in confidence and prepare for the final exams this summer.

ART, PHOTOGRAPHY & TEXTILES

The final exams for Art, Photography and Textiles take place before Easter, in the week commencing Monday 19 March. It is possible to use the Art and Textiles rooms to work independently most lunch times and afternoons.

FOOD

Thursday 1 March: Mock practical exam 1.15 to 4.30

Tuesday 13 March: Practical exam, periods 1 – 4.

EASTER SCHOOL

There will be a series of revision classes run over the Easter holiday, mostly in the second week of the holiday. Some students will be specifically invited to sessions which we think they will particularly benefit from.

EARN

EARN will be running each Monday-Thursday from 3.20-4.45, after the February half term. This is our Year 11 Revision Club after school in the Library. It provides a quiet space to work with revision materials available and a member of staff on hand to support; coffee/tea, hot chocolate and a biscuit also aid motivation and stamina!

ENGLISH

Students will be invited to bespoke sessions aimed at specific areas of the exams which students may be struggling with.

MATHS

A teacher from the Maths team is available each lunchtime in M1 to answer specific questions or to help with a mathematical problem if required.

GEOGRAPHY

Saturday 9 June: Revision session for paper 3 in RE2; times to be confirmed.

DRAMA

The revision sessions will be practical up until Easter and then focus on the written exam.
