**WHAT DO I
DO NEXT?**

Mrs Carlin, the Work Experience Co-ordinator, is available during break and lunch time to help you find a suitable placement. You can also find help on the Cornwall Council Website—you will be given a Pin Number to access the County Work Experience Website cornwall.learnaboutwork.net

Try not to choose placements with employers that are self-employed as they will need a DRB check done which will take time to process

If you intend to do your placement out of County, please submit your Approval and Consent forms early

Work experience abroad is not permitted

MRS CARLIN - Tel: 01579 325716 OR Email: ccarlin@liskeard.cornwall.sch.uk for information, guidance and support

NOW is the time to start planning your work experience placement for the summer of 2020. It is vital that you start to speak to employers as soon as you can, as the majority of schools in Devon and Cornwall have the same week. The choice is entirely your own (unless doing Childcare) but you should try to choose an area that you are interested in. The week is designed to encourage you to do well and to gain the appropriate skills and qualifications needed to achieve your career goals.
