

The Live Date for the new Cashless Catering System is 3 November 2014

13 October 2014

Dear Parent

As the 'Live Date' for the new Biometric Trust-e Cashless System supplied by Nationwide Retail Systems Ltd is imminent, we require the consent of at least one parent / career in order that the biometric information of your child can be processed. Please be assured that this information remains within the school and that the biometric information taken is a process and **not the actual finger print**. Please refer to the supplementary FAQ information sheet provided.

If you choose not to have your child registered with this new system, the school will provide an alternative method of identification, which will be a 4 digit PIN code. The preference of the school is to use the biometric system as this is more secure and faster than any other method of identification / payment. The school appreciates your co-operation with regards to this new system.

Could you please complete and sign the form below, and return it to your child's Head of Year **by no later than 17 October 2014.**

Yours sincerely
