

Activities to keep your child engaged and learning during the school closure.

As well the school work we are sending out for completion at home, we will also be providing parents and carers with regular updated on ideas and resources to keep your child engaged during the school closure.

Below are a variety of different topic resources that your child may find interesting. We hope you find these useful.

Interested in animals? Check out these links which include live streaming from zoos and aquariums from across the world!
