

School Closure: Year 7 Parent and Student work

3 Weeks beginning Monday 30 March 2020

We understand that you do need a break after a busy term. Teachers will be setting work on Monday 30 March for completion by **Friday 17 April**.

This allows you two weeks of holiday and also provides one week of work for the first week back. You may start this work in the Easter holidays if you wish however.

Please note: This is different to the deadlines on the overview your parents received on Friday.

Instructions for parents and students.

Students should be working for 2 - 3 hours per school day during normal school weeks.

This pack contains an overview of the work that has been set for students. Links to resources and websites are also included.

The contents of this pack will also be uploaded to [Show My Homework](#) Monday morning by teachers whilst this school closure continues.

If you have any queries regarding the work set, then please contact the relevant member of staff (email addresses are included in this pack). Do not contact staff via Show My Homework.

Resources such as paper, exercise books etc. will be available from reception if needed.

Please check your student emails once a day for any important messages.

'How to...' guides and an overview of work set for Year 7, 8 and 9 are available in the Home Learning section of the school website.

English

Tasks to complete:

Writing – Complete **slide 5** of [this creative writing PowerPoint](#) (Ctrl+Click).

- See *Show My Homework* for further information from your teacher.
- Each week complete the activity on next slide.

Reading: Non Fiction – Choose one of the online news websites below to:

- stay up-to-date with UK and international and local news
- read a range of other stories which interest you
- alternatively, listen to podcasts and video clips to keep you informed about the world around you. Ensure you read or listen to reliable sources – don't fall for *fake news*.

Reading: Fiction – Take some time out to do some extended reading for pleasure. Try to explore new stories and magazines.

- If you haven't already joined [Cornwall Library](#), you can join online from [their website](#).
- Then register with [BorrowBox](#) to read books or listen to audiobooks online for free.
- Register with [PressReader](#) and [RBDigital eMagazines](#) and [RBDigital eComics](#) to read to read newspapers, magazines and comics for free with your Library card.
- Alternatively, ask your parents or carers to join [BookBub](#) or [OpenLibrary](#) to download free or very cheap books to your smartphone, kindle or tablet etc.
- Want inspiration? Look out for the titles or authors listed in this [top 100 recommendations](#) for a story which catches your eye.

Spelling, Punctuation and Grammar – Keep practising your basic skills to maintain or improve the accuracy of your writing, and to build up your vocabulary.

- Spelling – learn the word lists and spelling patterns in [Spellzone](#) units, and complete regular tests and games. Use [Dictionary.com](#) to check the meaning of new words.
- Punctuation and grammar – revise and practise the rules using [BBC Bitesize](#). Then ask someone to read out (dictate) a passage for you to punctuate and DIT. Think carefully about your paragraphing too.

Whom to contact if you have a problem:

Your class teacher:

jebrown@liskeard.cornwall.sch.uk
leprendergast@liskeard.cornwall.sch.uk
ceshilling@liskeard.cornwall.sch.uk
hesnowling@liskeard.cornwall.sch.uk
supheby@liskeard.cornwall.sch.uk
jaarcher@liskeard.cornwall.sch.uk
heleon@liskeard.cornwall.sch.uk

Head of English:

chpoole@liskeard.cornwall.sch.uk

Spellzone Support:

kaolivey@liskeard.cornwall.sch.uk

Maths

Tasks to complete:

These will be set for you on My Maths by your Teacher. When you log into 'My Portal' you will see them. Make sure you contact your maths teacher if you don't know your personal log in details. You should work through the associated lesson, making notes and trying questions as you go, then try the Homework.

YOUR WORK WILL NOT BE SAVED FOR YOU UNLESS YOU LOG IN USING YOUR PERSONAL LOG IN DETAILS.

Number – Fractions – Adding & Subtracting fractions & Multiplying, dividing fractions into

Number – Estimating & Accuracy – Estimating Calculations 1

Number – Fractions – Modelling fractions of an amount

Number – Percentages – Modelling percentage increase and decrease & % of amounts 1, 2, 3, 4

7Y2a – Mr Gluyas kegluyas@liskeard.cornwall.sch.uk

7Y2b – Mrs Ayres inayres@liskeard.cornwall.sch.uk

Science

Tasks to complete:

Chemistry project: This project is based on reinforcing the learning students have already done on solids, liquids and gases. The tasks to complete get increasingly challenging. Please contact your child's teacher if you have any issues. There are a number of experiments included which can be completed safely at home (though some state that adult supervision is required – these guidelines must be followed). The section at the end will allow parents and students to carry out assessments

Seneca online learning: Your child will be set a link via Show My Homework which will allow them to complete the remainder of the curriculum for this year online. Teachers will be able to monitor the progress of their classes and set individual assignments for students to complete. Deadlines for completion will be set by individual teachers.

This work can be accessed through Show My Homework

OPTIONAL IDEAS:

Science Fair House Competition: Science is everywhere and there are a huge number of experiments which can be done at home. Students can use the PowerPoint presentation which will be set on Show My Homework for ideas and guidance for their project. Students can choose their own project or work through a project on the website. When we get back to school, we are going to hold a Science Fair to celebrate students' projects and there will be prizes for the best entries. Students can present their work as a poster or a PowerPoint display. **NB: Please discuss your child's project with them and do not leave them unsupervised when carrying out their experimental work. You must follow the safety guidance given on the website for each project idea.**

Science Documentaries: There are a huge number of documentaries available on platforms such as BBC iPlayer, Netflix, 4OD etc. This is a great way for the family to get together and discuss Science based issues.

Knowledge Organisers: Each of the Science Knowledge Organisers on the school website contain a 'Why does it matter?' section and an 'extension' sections. These links and tasks can be followed to explore the real world applications of each section of the KS3 course.

7y3: Mr Davis andavis@liskeard.cornwall.sch.uk

Languages

Tasks to complete:

Each year group will be assigned a work booklet on Show My Homework. The work is either revision of work that you have already done or tasks which develop your understanding of topics and grammar. Try them all!

Please read the instructions carefully.

You should attempt all tasks. Try not to leave gaps, have a go, take a risk!

Each booklet contains work for one week, each booklet has a comprehensive vocabulary list at the beginning of each booklet.

You do not need to print the booklet, please save and then send your completed booklet to MFL@liskeard.cornwall.sch.uk, ensure that your teachers initials are in the subject line (DLW for Mrs Williams, IMG for Mrs Gilbey, ELL for Mrs Lofthouse and CDU for Mrs Ussher)

Links to resources:

- Wordreference.com for help with verbs and vocabulary. <https://www.wordreference.com/>
- BBC KS3 bitesize for information clips and self-assessment.
- Quizlet for review and practice – search by topic e.g. KS3 French /Spanish places in town
- Create your own Quizlet set!
- Year 10 and 11 – use your Kerboodle log in to access practice and consolidation work, Quizlet (GCSE topics), The Student Room,
- Get Revising, Revision world (choose the EDEXCEL version of past papers and revision tasks), the LSCC drop box (log in details have already been sent to you on SMH.

Who to contact if you have a problem:

Year 9 French and Spanish email Mrs Williams dewilliams@liskeard.cornwall.sch.uk

Year 8 French and Spanish email Mrs Gilbey lgilbey@liskeard.cornwall.sch.uk

Year 7 French and Spanish Mrs Ussher ceussher@liskeard.cornwall.sch.uk

History

Tasks to complete:

Develop your knowledge and understanding of England's relationships with other countries in the Middle Ages. This will build on work in class on the period 1100-1500 and add another element to what you have already covered.

The work set focuses on England at War with Scotland. Read the A3 sheet that has been scanned in for you and you can access from the resources and do the following 2 tasks:

- Answer the questions on the sheet to develop your understanding.
- Write a 5 question test (with answers) on Edward and Scotland in order to consolidate your knowledge

Links to resources:

A3 information sheet: https://liskeardschoolcomm-my.sharepoint.com/:b:/g/personal/sipollard_liskeard_cornwall_sch_uk/EZJuc7jAsNRHsaRiXtjM0M8BW45yvKGPYp1gzUTohXmsuA?e=aprHxl

Mr Pollard – sipollard@liskeard.cornwall.sch.uk

Mr Glasgow – anglasgow@liskeard.cornwall.sch.uk

Miss Axby – kaaxby@liskeard.cornwall.sch.uk

Miss Pritchard – capritchard@liskeard.cornwall.sch.uk

Geography

Tasks to complete:

Continuing your project on one of the 7 continents, this week we would like you to find out;

- Information about human geography e.g. total population, race, religion.
- Any historical or cultural facts / Information about events and traditions that occur in that your continent e.g. sporting events, festivals

If you would like to take your project further you could write a paragraph which compares life on the continent you have researched to your own life.

Links to resources:

<https://www.bbc.co.uk/bitesize/guides/ztatyrdr/revision/2>

<https://world-geography-games.com/continents/>

<https://kids.britannica.com/> and type the continent you are looking at into the search bar

<https://www.bbc.co.uk/programmes/p07dzjw1>

Who to contact if you have a problem:

naaird@liskeard.cornwall.sch.uk

cllake@liskeard.cornwall.sch.uk

capritchard@liskeard.cornwall.sch.uk

Ethics, Philosophy and World Views

Tasks to complete:

The early life of Jesus

This week you will start to examine the life of Jesus. Read the resource (linked below and attached to Show My Homework).

Now, in full sentences, answer the following questions (Tasks 2, 3, and 4 of the *Things To Do* tasks):

1. What are the Gospels?
 2. Why did the Gospel writers not include all details of Jesus' life?
 3. How do the Gospel writers make it clear that Jesus' baptism was an important experience?
 4. Explain why Jesus needed to spend time alone before he began his preaching.
- ↑ If you would like to take your learning further you could read the Gospel accounts of Jesus' birth (Matthew chapters 1 and 2, and Luke chapter 2 – linked below) and summarise them into your own words.

Finally, return to your table or two hands from last week. Add any new evidence for Jesus being ordinary, or Jesus being divine (god-like) into the relevant section. How many points or piece of evidence could you add?

Links to resources:

↑ Arrow task Gospel accounts of Jesus' birth:

Matthew 1: <https://www.biblegateway.com/passage/?search=Matthew+1&version=NIV>

Matthew 2: <https://www.biblegateway.com/passage/?search=Matthew+2&version=NIV>

Luke 2: <https://www.biblegateway.com/passage/?search=luke+2&version=NIV>

Who to contact if you have a problem:

Miss Lake – cllake@liskeard.cornwall.sch.uk

Mrs Clemow – weclmow@liskeard.cornwall.sch.uk

ICT

Tasks to complete:

1. The 'Hour of Code' website below has a lot of different coding activities that you can work through. It works better on a laptop or desktop PC. I would recommend signing up to the website first so that your progress is recorded.

Time to complete- x1 hour for each week that you are not in school.

2. Sign up for scratch online and make some games that you share with each other. Think about the ones you have created in the lessons and take it a step further.

<https://hourofcode.com/uk/learn>

Who to contact if you have a problem:

Mr Morgan damorgan@liskeard.cornwall.sch.uk

Technology

Tasks to complete:

Food: Healthy lifestyles (see details on SMHW)

Textiles: Design a new school badge for our school uniform or sportswear

Product Design & Engineering: Online learning and quiz on materials (hard copy prepared)

Links to resources:

Note that details of each home learning task for each Technology subject, including any links, will appear on SMHW.

Arrow Up task: Gain further knowledge and do fun quizzes using these Design & Technology sites:

<https://www.the-warren.org/>

<https://www.bbc.co.uk/bitesize/subjects/zfr9wmn>

<http://www.technologystudent.com/>

Who to contact if you have a problem:

Food – TiSweet@liskeard.cornwall.sch.uk

Textiles PeCurnowMorris@liskeard.cornwall.sch.uk or CINaysmith@liskeard.cornwall.sch.uk

Product Design and engineering CaWard@liskeard.cornwall.sch.uk

Electronics AnYoxall@liskeard.cornwall.sch.uk or tohurdwell@liskeard.cornwall.sch.uk

Physical Education

Tasks to complete:

1. *Stay fit and healthy at home. Tune into Body Coach TV on YouTube with Joe Wicks where every week day he will be hosting a 30minute home PE session.*

2. The Skeletal System

It is really important that you understand the role that the skeleton plays in physical activity.

Produce a poster to help show this.

Remember to include:

- A picture of the human skeleton
- The correct labelling of all the major bones of the body
- A description of the 6 functions of the skeleton
- An explanation of how the 6 functions effect you when you exercise.

<https://www.teachpe.com/anatomy-physiology/the-human-skeleton>

Who to contact if you have a problem:

Miss Rowe sarowe@liskeard.cornwall.sch.uk

Creative Arts Subjects

Tasks to complete:

Art: A task sheet will be uploaded to SMH. This sheet presents 5 tasks and should be completed over three weeks. After three weeks a new sheet will be posted on SMH which develops your learning. On your future return to school this work will form the starting point for practical work in the lesson.

Drama: Next term we would practically explore extracts from William Shakespeare's "Romeo and Juliet" using various drama skills and techniques. It would be helpful for you to have some knowledge of the play. Research the plot, the characters and different performances (particularly contemporary/modern versions of the play).

Music: Listening Diary: This will be completed over 4 weeks

What should I do? Choose **two** pieces of Music each week to listen to in detail, and answer the following questions about each piece:

Title of the piece. Who wrote the piece? Who is performing the piece? When was it composed (written, created?) What style/genre of music is it? How do you know this? If you have an instrument, then use YouTube to learn something new. What can you play for us when we next see you? There are virtual keyboards on line as well.

Further details will be added to SMH. Students are to use lined/plain paper, keeping a portfolio of work to present when we return to school.

Who to contact if you have a problem:

Art: Mrs O'Shea. beoshea@liskeard.cornwall.sch.uk
Mrs Schooling gschooling@liskeard.cornwall.sch.uk
Drama: Ms Farrow: hefarrow@liskeard.cornwall.sch.uk
Music: Mr Bond: mabond@liskeard.cornwall.sch.uk
Ms Warwick jawarwick@liskeard.cornwall.sch.uk

Please note: For students taught by Mrs O'Connell as a member of the English Transition Class (Year 7 and 8), activities will be set via Show My Homework.

For students taught by Mrs O'Connell as members of the maths Transition Class (Year 7 and 8) various learning tasks activities will be set on Mathletics and My Maths, accessible via on Show My Homework.

For students in Mrs O'Connell's Transition ARC Group who follow a programme of study titled 'Understanding the World', various learning activities will be set on Show My Homework.

Mrs O'Connell will email parents of these students directly with further instructions as required.

All these students will follow the generic PE, Art and Music work as outlined in the attached work overviews. If you have any queries relating to this specific work please email Mrs O'Connell at aloconnell@liskeard.cornwall.sch.uk
