

Week beginning Monday 13 July 2020

Following feedback from parents and students, we are now operating a two-week timetable where different subjects will be set on a biweekly basis.

The curriculum offer at KS3 for this week will be organised as follows:

Week B	Time
English	2.5 hours
Maths	2.5 hours
Science	2.5 hours
French or Spanish	60 mins
History	60 mins
Art	60 mins
Music	60 mins
EPW	60 mins
Total 12.5 hours	
PE daily	30 mins
Reading daily	30 mins

We continue to recommend that students complete two to three hours of work a day.

Optional extension tasks (Arrow Tasks) will be set for each subject to allow depth of study if your child wants to do more.

PE activities and reading are both hugely important and will sit outside of this directed time. We recommend that you allocate 30 minutes to each of these activities a day.

This pack contains an overview of the work that has been set for students. Links to resources and websites are also included.

The contents of this pack will also be uploaded to [Show My Homework](#) Monday morning by teachers whilst this school closure continues.

Resources such as paper, exercise books etc. will be available from the school reception 9.30am to 11.30am daily if needed.

'How to...' guides and an overview of work set for Year 7, 8 and 9 are available in the Home Learning section of the school website.

Tasks to complete:

Task 1: BBC Bitesize Daily (15 minutes - every day). BBC Bitesize provides excellent English work each day.

1. There are new **television** English programmes every day. [Find out more about here.](#)
2. There are also **online activities** on the *BBC Bitesize Daily* website.
 - Choose your activities for your year group from these [links in the purple boxes](#).
 - You can choose work from an older or younger year group, including the [links in the orange boxes](#).
 - You can find out more information about [all the ways to access BBC content here](#).

Task 2: Poetry (1 hour - each week). Read some of the poems on the following websites:

- [Poetry Foundation Summer Poems](#) - scroll down for lots of different themes
- [Twelve Beautiful Summer Poems](#) - poems about nature (which can be printed easily)

Now try writing your own short poem using one or more of the following forms:

- [Haiku](#) poems
- [Cinquain](#) poems
- [Acrostic](#) poems
- [Sonnets](#)

Further Help: If you would like **live help or chat with any of your work** with one of our English teachers, [click here to find out more](#). You can also find more advice for this week's topic here:

Tasks to complete.

TOPIC: WORKING SCIENTIFICALLY

Students have been given a series of learning tasks designed to help them to understand ideas about *Working Scientifically*.

This week we would like students to continue trying some simple experiments at home and using ideas about working scientifically to design their experiments, collect their data and analyse their results

Students will need to work through a series of questions, videos, web based reading and home experiments. They have been given specific tasks which need to be submitted via Show My Homework.

OPTIONAL IDEAS and ARROW TASKS:

Science Fair House Competition: Science is everywhere and there are a huge number of experiments which can be done at home. Students can use the PowerPoint presentation which will be set on Show My Homework for ideas and guidance for their project. Students can choose their own project or work through a project on the website. When we get back to school, we are going to hold a Science Fair to celebrate students' projects and there will be prizes for the best entries. Students can present their work as a poster or a PowerPoint display. **NB: Please discuss your child's project with them and do not leave them unsupervised when carrying out their experimental work. You must follow the safety guidance given on the website for each project idea.**

Science Documentaries: There are a huge number of documentaries available on platforms such as BBC iPlayer, Netflix, 4OD etc. This is a great way for the family to get together and discuss Science based issues.

Knowledge Organisers: Each of the Science Knowledge Organisers on the school website contain a 'Why does it matter?' section and an 'extension' sections. These links and tasks can be followed to explore the real world applications of each section of the KS3 course.

Tasks to complete:

This week, you will be attempting a range of activities to review your progress.

- It is important that you attempt each task, even if you don't fully complete each task.
- You may use a dictionary and/or other reference sources.
- There are two levels of each task, **Green** and **Blue**.
- The **Blue** tasks are a little more of a challenge.
- You can choose which level of task to do for each section, however, **you should submit a range of green and blue tasks.**

The **BIG WRITE**, attached to Show My Homework, includes suggestions about the details to include.

You can choose what you include, please ensure that your work covers a variety of topics studied so far.

Reading

Reading: Fiction – Take some time out to do some extended reading for pleasure. Try to explore new stories and magazines.

- If you haven't already joined [Cornwall Library](#), you can join online from [their website](#).
- Then register with [BorrowBox](#) to read books or listen to audiobooks online for free.
- Register with [PressReader](#) and [RBDigital eMagazines](#) and [RBDigital eComics](#) to read to read newspapers, magazines and comics for free with your Library card.
- Alternatively, ask your parents or carers to join [BookBub](#) or [OpenLibrary](#) to download free or very cheap books to your smartphone, kindle or tablet etc.
- Want inspiration? Look out for the titles or authors listed in this [top 100 recommendations](#) for a story which catches your eye.

Spelling, Punctuation and Grammar – Keep practising your basic skills to maintain or improve the accuracy of your writing, and to build up your vocabulary.

- Spelling – learn the word lists and spelling patterns in [Spellzone](#) units, and complete regular tests and games. Use [Dictionary.com](#) to check the meaning of new words.
- Punctuation and grammar – revise and practise the rules using [BBC Bitesize](#). Then ask someone to read out (dictate) a passage for you to punctuate and DIT. Think carefully about your paragraphing too.

Tasks to complete:

Tennis 1: Work your way through the task sheet sending your teacher completed tasks or photos / videos of you doing the active tasks. #

Use a saucepan if you do not have a bat or racket!
