

Week beginning Monday 27 April 2020

Following feedback from parents and students, we are now operating a two-week timetable where different subjects will be set on a biweekly basis.

The curriculum offer at KS3 for this week will be organised as follows:

Week B	Time
English	2.5 hours
Maths	2.5 hours
Science	2.5 hours
French or Spanish	60 mins
History	60 mins
Art	60 mins
Music	60 mins
EPW	60 mins
Total 12.5 hours	
PE daily	30 mins
Reading daily	30 mins

We continue to recommend that students complete two to three hours of work a day.

Optional extension tasks (Arrow Tasks) will be set for each subject to allow depth of study if your child wants to do more.

PE activities and reading are both hugely important and will sit outside of this directed time. We recommend that you allocate 30 minutes to each of these activities a day.

This pack contains an overview of the work that has been set for students. Links to resources and websites are also included.

The contents of this pack will also be uploaded to [Show My Homework](#) Monday morning by teachers whilst this school closure continues.

Resources such as paper, exercise books etc. will be available from the school reception 9.30am to 11.30am daily if needed.

'How to...' guides and an overview of work set for Year 7, 8 and 9 are available in the Home Learning section of the school website.

Tasks to complete:

Task 1 - BBC Bitesize Daily (15 minutes - every day).

From Monday 20 April, *BBC Bitesize Daily* will suggest English work for each day. [Find out more here.](#)

- Please can you watch the programmes, follow the links and complete the activities suggested for your age group.
- You can find out more information about [the different ways to access English content here.](#)

OPTIONAL IDEAS and ARROW TASKS:

Maths is running the House Competition for April and we hope it keeps you occupied and entertained! You might find it difficult and may not answer every question (which is OK) but the information and photos on Show My Homework will help...

The Maths Faculty are asking staff to get involved too so they can contribute to your House achievements. Why not get everyone at home involved too?!

When you think you know the 'answer', email inayres@liskeard.cornwall.sch.uk with:

- Your answer(s)
- Your tutor group
- Your House

The results of the competition will be announced in May. Good luck!

Tasks to complete:

TOPIC: Evolution

Students have been given a series of learning tasks designed to help them to understand ideas about EVOLUTION. There are three main questions covered: What is Natural Selection? Why is biodiversity important? Why do animals become extinct?

Students will need to work through a series of questions, videos, web based reading and home experiments. They have been given specific tasks which need to be submitted via Show My Homework.

This topic is designed to take approx. 5 hours and will last for 2 weeks. **This should be handed in at the end of this week**

OPTIONAL IDEAS and ARROW TASKS:

Science Fair House Competition: Science is everywhere and there are a huge number of experiments which can be done at home. Students can use the PowerPoint presentation which will be set on Show My Homework for ideas and guidance for their project. Students can choose their own project or work through a project on the website. When we get back to school, we are going to hold a Science Fair to celebrate students' projects and there will be prizes for the best entries. Students can present their work as a poster or a PowerPoint display.

NB: Please discuss your child's project with them and do not leave them unsupervised when carrying out their experimental work. You must follow the safety guidance given on the website for each project idea.

Science Documentaries: There are a huge number of documentaries available on platforms such as BBC iPlayer, Netflix, 4OD etc. This is a great way for the family to get together and discuss Science based issues.

Knowledge Organisers: Each of the Science Knowledge Organisers on the school website contain a 'Why does it matter?' section and an 'extension' sections. These links and tasks can be followed to explore the real world applications of each section of the KS3 course.

Links to resources:

Knowledge Organisers can be found under the 'student' tab on the school website

Tasks to complete:

You are going to start a new topic on Slavery and The Slave Trade. This will last for several weeks.

This is a one-week task where you are going to investigate the **Slave Trade Triangle**.

- In one sentence define the Slave Trade
- In one sentence define the Slave Trade Triangle.
- Explain how each of the sides of the 'triangle' worked. A quick sketch map that is annotated with key words/terms/details might be a good way of showing your knowledge.
- Write a 5 question test (with answers) on the Slave Trade Triangle

All the resources that you will need are on SMH but please feel free to do your own research.

Virtual Keyboard: <https://www.onlinepianist.com/virtual-piano>

Tasks to complete:

By now you have completed the mind-map on key Muslim beliefs and a diagram on the Five Pillars of Islam.

We will now consider each of the five pillars in more detail. Today will focus on the first pillar, the Shahadah.

Read the worksheet 'The Shahadah' attached on Show My Homework.

Complete 'activity three' from the sheet which is to create a PowerPoint presentation or a poster on the Shahadah.

You will need to explain what it means and go on to explain how Muslims try and act on it in their daily lives. Remember the rule though that Muslims do not ever draw picture of God or Muhammad. **Therefore, there should be no drawing of either in your work.**
