

Week beginning Monday 20 April 2020

Following feedback from parents and students, we are now operating a two-week timetable where different subjects will be set on a biweekly basis.

The curriculum offer at KS3 for this week will be organised as follows:

Week A	Time
English	2.5 hours
Maths	2.5 hours
Science	2.5 hours
French or Spanish	60 mins
Geography	60 mins
Computing	60 mins
Design and Technology	60 mins
Drama	60 mins
Total 12.5 hours	
PE daily	30 mins
Reading daily	30 mins

We continue to recommend that students complete two to three hours of work a day.

Optional extension tasks (Arrow Tasks) will be set for each subject to allow depth of study if your child wants to do more.

PE activities and reading are both hugely important and will sit outside of this directed time. We recommend that you allocate 30 minutes to each of these activities a day.

This pack contains an overview of the work that has been set for students. Links to resources and websites are also included.

The contents of this pack will also be uploaded to [Show My Homework](#) Monday morning by teachers whilst this school closure continues.

Resources such as paper, exercise books etc. will be available from the school reception 9.30am to 11.30am daily if needed.

'How to...' guides and an overview of work set for Year 7, 8 and 9 are available in the Home Learning section of the school website.

Tasks to complete:

Task 1 - BBC Bitesize Daily (15 minutes - every day).

From Monday 20 April, *BBC Bitesize Daily* will suggest English work for each day. [Find out more here.](#)

- Please can you watch the programmes, follow the links and complete the activities suggested for your age group.
- You can find out more information about [the different ways to access English content here.](#)

Task 2 - English Workbook (1 hour - each week). [Here is your weekly lesson](#) to keep you up-to-date with what you would normally be studying in school. You may need to log into [GCSE Pod](#) in order to access it.

1. Listen to the **podcast(s)** - just click the title(s).
2. Check your understanding with the **quiz**.
3. **Practise** the skills you are learning about.
4. **Apply** your knowledge and understanding in the final activity.
5. Then mark your work using the [answers provided here.](#)

Complete your answers on the interactive sheets and save them to your computer, tablet or phone or SMHW (see above). Alternatively, you can print them out.

Further Help / Arrow Task

You can find more information, advice and revision activities for this week's topic here:

- [BBC Bitesize - GCSE](#) or [BBC Bitesize - Key Stage 3](#)
- [AQA GCSE English Language - Paper 2 Section A](#)

This week's lesson is taken from [GCSE Pod: Achieve English 2020 - Workbook Module 6 Lesson 1.](#)

Who to contact if you have a problem:

Your class teacher:

jebrown@liskeard.cornwall.sch.uk
leprendergast@liskeard.cornwall.sch.uk
ceshilling@liskeard.cornwall.sch.uk
hesnowling@liskeard.cornwall.sch.uk

supheby@liskeard.cornwall.sch.uk
jaarcher@liskeard.cornwall.sch.uk
heleon@liskeard.cornwall.sch.uk

Head of English:

chpoole@liskeard.cornwall.sch.uk

Spellzone Support:

kaolivey@liskeard.cornwall.sch.uk

OPTIONAL IDEAS and ARROW TASKS:

Choose one or more of the following **optional** activities to broaden your knowledge and understanding of English language, literature and media (45 minutes - each week)

- [Brainteaser / Quiz](#)
- [Drama series or book recommendation](#)
- [Website, TV or film recommendation](#)
- [News, books and magazines](#)
- [GCSE Literature revision - Poetry](#)
- Continue Task 2 - or complete its arrow tasks.
- [Spellzone](#) - if you have a problem with *Spellzone*, or would like to choose your own spelling units, please email Mrs O'Lively at kaolivey@liskeard.cornwall.sch.uk

Links to resources: all resources are available by linking on the links above.

Tasks to complete:

Tasks will be set for you on [Show My Homework](#) by your maths teacher.

The tasks may involve [My Maths](#) so make sure you contact your maths teacher if you don't know your personal log in details.

www.mymaths.co.uk School username: **liskeard** School Password: **isosceles**

Who to contact if you have a problem:

9X1: Mr Laycock pelaycock@liskeard.cornwall.sch.uk

9X2: Mrs Ollerenshaw clollerenshaw@liskeard.cornwall.sch.uk

9X3: Mr Knipe/Dr Baker chknipe@liskeard.cornwall.sch.uk kubaker@liskeard.cornwall.sch.uk

9Y1: Dr Baker kubaker@liskeard.cornwall.sch.uk

9Y2: Mr James najames@liskeard.cornwall.sch.uk

9Y3: Miss Lucas/Mr North ednorth@liskeard.cornwall.sch.uk tilucas@liskeard.cornwall.sch.uk

9Y4: Mrs O'Connell aloconnell@liskeard.cornwall.sch.uk

OPTIONAL IDEAS and ARROW TASKS:

Maths is running the House Competition for April and we hope it keeps you occupied and entertained! You might find it difficult and may not answer every question (which is OK) but the information and photos on Show My Homework will help...

The Maths Faculty are asking staff to get involved too so they can contribute to your House achievements. Why not get everyone at home involved too?!

When you think you know the 'answer', email inayres@liskeard.cornwall.sch.uk with:

- Your answer(s)
- Your tutor group
- Your House

The results of the competition will be announced in May. Good luck!

All information and resources will be on Show My Homework.

Tasks to complete:

Show My Homework: Students will be set tasks by their class teacher to enable them to work through the next section of the GCSE curriculum

Seneca Learning: Teachers will set assignments on Seneca Learning for individual groups via Show My Homework. This will be in line with what you have been doing in class and will enable you to complete your learning for the year

GCSEPod: Teachers will set assignments on GCSEPod for individual groups via Show My Homework. This will be in line with what you have been doing in class and will enable you to complete your learning for the year.

End of Year Exam Preparation: Mrs Inger has set revision tasks and resources on Show My Homework for all students to use to prepare for their end of year exam. This includes guidance for key information and revision resources.

OPTIONAL IDEAS and ARROW TASKS:

Science Fair House Competition: Science is everywhere and there are a huge number of experiments which can be done at home. Students can use the PowerPoint presentation which will be set on Show My Homework for ideas and guidance for their project. Students can choose their own project or work through a project on the website. When we get back to school, we are going to hold a Science Fair to celebrate students' projects and there will be prizes for the best entries. Students can present their work as a poster or a PowerPoint display.

NB: Please discuss your child's project with them and do not leave them unsupervised when carrying out their experimental work. You must follow the safety guidance given on the website for each project idea.

Science Documentaries: There are a huge number of documentaries available on platforms such as BBC iPlayer, Netflix, 4OD etc. This is a great way for the family to get together and discuss Science based issues.

Links to resources:

Science Fair: <https://www.sciencebuddies.org/science-fair-projects/project-ideas/list>

Tasks to complete:

You will be assigned a work booklet on Show My Homework. By now you will have completed booklets 1 and 2. The work is either revision of work that you have already done or tasks which develop your understanding of topics and grammar.

Please read the instructions carefully.

You should attempt all tasks. Try not to leave gaps, have a go, take a risk!

Each booklet has a comprehensive vocabulary list at the beginning of each booklet.

You do not need to print the booklet, please save and then upload your completed booklet onto Show My Homework.

Your teacher may also set you work from the website '[This is Language](https://www.thisislanguage.com/)'.

Links to resources:

Wordreference.com for help with verbs and vocabulary <https://www.wordreference.com/>

BBC KS3 Bitesize for information clips and self-assessment <https://www.bbc.co.uk/bitesize>

This is Language <https://www.thisislanguage.com/>

Who to contact if you have a problem:

Year 9 French and Spanish: Mrs Williams dewilliams@liskeard.cornwall.sch.uk

Year 8 French and Spanish: Mrs Gilbey lgilbey@liskeard.cornwall.sch.uk

Year 7 French and Spanish: Mrs Usher ceusser@liskeard.cornwall.sch.uk

OPTIONAL IDEAS and ARROW TASKS:

Have a go at the OPTIONAL Easter task on Show My Homework.

This is all about how Easter is celebrated in France/Spain. You could also try the activities with someone else in your household. Have some Easter fun!

You may also like to try the game [Nutty Tilez](https://www.thisislanguage.com/nutty-tilez/), a spelling game where you compete against other learners of French and Spanish from around the world. Get your name on the leader board!

Links to resources:

<https://www.thisislanguage.com/nutty-tilez/>

Tasks to complete:

This week you will start your new unit called **'Earning a Living'**.

This week you will learn about jobs in the UK and the different sectors that all jobs fit into.

You will look at how these have changed over time.

All the resources you need to complete this are on the document which will be on Show My Homework.

Tasks for everyone to complete are in orange boxes.

Your work should be submitted via SMH.

Links to resources:

Resources for the main activity will be on Show My Homework.

Who to contact if you have a problem:

Mrs Baker: subaker@liskeard.cornwall.sch.uk

Mr Aird: naaird@liskeard.cornwall.sch.uk

Mrs Penberthy: dapenberthy@liskeard.cornwall.sch.uk

Miss Pritchard: capritchard@liskeard.cornwall.sch.uk

OPTIONAL IDEAS and ARROW TASKS:

There is an extra/optional arrow task on the last slide if you want to stretch yourself further.

**Tasks to complete:**

Computer Science students: Please continue with the Sololearn Programming project.

All other students: Read through the PowerPoint on Ethical, Legal, Cultural and Environmental Impacts of Digital Technology. This PowerPoint will support three lessons.

You then need to complete the word document – **The impact of technology.**

Please submit this work on Show My Homework

Links to resources:

The PowerPoint can be found on Show My Homework.

Who to contact if you have a problem:

Mr Morgan damorgan@liskeard.cornwall.sch.uk

OPTIONAL IDEAS and ARROW TASKS:

Spend some time exploring computing projects to improve your skills and knowledge. Have a go at one of the projects on the link below.

Links to resources:

<https://researchparent.com/learn/technology-engineering/computer-science/>

**Tasks to complete:**

Complete the work for the subject you are presently studying.

Food: Nutrients and health guidelines PowerPoint with multiply choice questions to be submitted on show my homework

Textiles: Create an inspiration page on natural forms on A4 plain paper.

Product Design & Engineering: Sustainability. Complete the 6 Rs activity.

These tasks will be set on Show My Homework. Completed work should also be submitted on Show My Homework.

Links to resources:

Engineering & Product Design- <https://www.stem.org.uk/elibrary/resource/30113>

Who to contact if you have a problem:

Food: TiSweet@liskeard.cornwall.sch.uk

Textiles: PeCurnowMorris@liskeard.cornwall.sch.uk or ClNaysmith@liskeard.cornwall.sch.uk

Product Design and engineering: CaWard@liskeard.cornwall.sch.uk

Electronics: AnYoxall@liskeard.cornwall.sch.uk or tohurdwell@liskeard.cornwall.sch.uk

OPTIONAL IDEAS and ARROW TASKS:

Food: Enter Tunnock's Teacake Challenge! Use the link below. Full details will be on Show My Homework.

Textiles: As well as the images you find on the internet or cut 'n' paste from magazines, produce a page of 'primary research' of images that you have created yourself – either by taking photos of natural forms and uploading them onto an A4 sized document or by sketching some natural forms and photographing them to upload onto Show My Homework.

Engineering & Product Design: An additional 'R' has since been added to the famous 6Rs - 'Rot'. Explain what it is.

Links to resources:

Food: <https://foodteacherscentre.co.uk/tunnocks-teacake-challenge/>

Engineering & Product Design: <https://www.aeromatico.com/the-7-rs-of-sustainability/>

**Tasks to complete:**

Drama: A 'Get In' is when theatre companies have access to the theatre and the stage and start to set everything up for their up and coming production.

Your task is to complete the activities in the booklet attached to SMH about staging configurations and the areas of the stage. Some parts will be a reminder and some parts will be new.

The information in the booklet is crucial knowledge for anyone looking to go into the theatre industry or study theatre. It is also vital for the drama GCSE course.

Links to resources:

The booklet will be shared on Show My Homework

Who to contact if you have a problem:

Ms Farrow: hefarrow@liskeard.cornwall.sch.uk

Mrs Stoneham: diStoneham@liskeard.cornwall.sch.uk

OPTIONAL IDEAS and ARROW TASKS:

Complete the Arrow Up booklet on Show My Homework to become a drama star!

Links to resources:

This resource will be set on Show My Homework.

Reading: Fiction – Take some time out to do some extended reading for pleasure. Try to explore new stories and magazines.

- If you haven't already joined [Cornwall Library](#), you can join online from [their website](#).
- Then register with [BorrowBox](#) to read books or listen to audiobooks online for free.
- Register with [PressReader](#) and [RBDigital eMagazines](#) and [RBDigital eComics](#) to read to read newspapers, magazines and comics for free with your Library card.
- Alternatively, ask your parents or carers to join [BookBub](#) or [OpenLibrary](#) to download free or very cheap books to your smartphone, kindle or tablet etc.
- Want inspiration? Look out for the titles or authors listed in this [top 100 recommendations](#) for a story which catches your eye.

Spelling, Punctuation and Grammar – Keep practising your basic skills to maintain or improve the accuracy of your writing, and to build up your vocabulary.

- Spelling – learn the word lists and spelling patterns in [Spellzone](#) units, and complete regular tests and games. Use [Dictionary.com](#) to check the meaning of new words.
- Punctuation and grammar – revise and practise the rules using [BBC Bitesize](#). Then ask someone to read out (dictate) a passage for you to punctuate and DIT. Think carefully about your paragraphing too.
