

Student Council Newsletter

February 2019

The Student Council has been really busy so far this year and we have **big plans** ahead! We have decided to put together a newsletter to let you know what we are doing and to invite you to join us on various projects.

12 DAYS OF CHRISTMAS

We hope you enjoyed the 12 Days of Christmas activities we organised for you. It was great to see so many students getting involved and having fun. Also, thank you to everyone who brought in items for the Food Bank – we raised 67.8 kg in weight of food! That's the same weight as a person! There are families out there who had a much nicer Christmas because of your kindness.

SCHOOL SHOP

We launched a School Shop just after Christmas. It is open every **Monday, Wednesday** and **Friday lunchtime**, selling all types of funky stationary. Thank you to the Y11 Prefects for running it! If there are items you would like to see for sale which aren't currently on sale please let them know or tell one of the school council reps.

PLASTIC FREE

Our big focus this year is being pro-active to help the environment. The destruction of the planet is a real thing and will have a big effect on us as a generation. We need to act now! Here are some of the things we are doing.

The amount of rubbish picked up in one litter picking session around our school site. Use the bins, it's really easy!

Did You Know?

If you put rubbish in any school bin then it will get re-cycled. Use the bins, please don't litter our school site.

A key message for us all. 

Happening soon....

For a long time now students have asked if they can wear shorts to school in the summer. Since the Student Council is your voice in school we have decided to take this on and try and make this possible. We have found out that in order to make a change to the uniform policy the school governors have to be in agreement. Ollie Partridge and Josh Bevan are currently working on a presentation which they take to governors in March. We will update you more on this once they have presented. No pressure Ollie and Josh!

Contact your School Council Rep if you want to get involved in any of our projects or would like to raise any issues
